## SafeSource Floor Stripper Concentrate

Mercury Free - Zinc Free - VOC Free

- Contains No Volatile Organic Compounds (VOC's)
- Exceptional Stripping Action
- Non-Flammable
- No Harsh Solvents or Fumes
- Specifically Designed to work with SafeSource VOC Free Floor Finish

**Floor Preparation:** Sweep floor to remove any loose dirt and debris that could scratch tile during stripping procedures.

**Use Instructions:** Dilute at 1 part product to 4 parts water. Room temperature water can be used. For faster results use warm or hot water. For heavy wax build-up, double concentration to 1 part product to 2 parts water. Apply stripper solution to floor with a clean mop and allow to sit for 5 to 10 minutes, 15 minutes for areas of excessive build-up. Scrub using a Black or Brown stripping pad. Remove old finish and stripper solution with a clean mop, wet/dry vacuum or vacuum scrubber. Rinse floor completely with clean water and allow to dry before adding new wax.

### Product Summary:

SafeSource VOC Free Floor Stripper Concentrate is a new generation floor stripper for today's demanding environments. This product has been formulated to function without the use of the Volatile Organic Compounds found in standard floor strippers that can irritate the eyes, skin and respiratory system, depress the central nervous system, aggravate occupational asthma and diminish indoor air quality. It has been specifically designed to work with SafeSource VOC Free Floor Finish.

This product exceeds all current standards for VOC limits set by local, state and Federal mandates.
